

Cemetery Com Minutes  
Tuesday Nov. 23, 2021  
Dunstable Town Hall

Present: Susan Tully, Susan Psaledakis, Alan Chaney  
\*Attempted to Zoom with Ryan but unable.

Meeting was called to order at 9:07 a.m.  
Minutes of August 2, 2021 were passed unanimously.

First order of business was the signing of acceptance of another document for the Rt. 113 Project. The board had several questions regarding this and decided to wait until the Town Administrator could join us later in the meeting.

Alan reported on the sales of several more Cemetery Lots. Mowing is done for the year. Also discussed repair of Fence and Curb Gates. Dana Barnes currently has the gate but there are some difficulties getting the needed lumber at this time. Alan feels it doesn't make sense to paint without first doing needed repairs.

Brian Palaia joined the meeting at 9:25 and explained the need for this additional document to be signed as some of the Lot configurations were shifted about and the State required that certain "slivers of land" that were not covered in the original document be formally signed over. Sue P. made the motion to sign, vote was unanimous, and the Chair signed as requested.

The meeting adjourned at 9:34.

Respectfully submitted,

Susan Psaledakis
