**MINUTES**  
**January 21, 2014**

The work session meeting began at 1 p.m. In attendance were Chairman Mike Martin, Commissioner Dana Kinne and Secretary Terry Atwood.

The FY15 budget requests were prepared. Terry will submit to Fincom. The snow removal budget request will stay the same as what was voted for FY14. A note will be added that an article for the salt shed will be forthcoming for this year's annual town meeting.

The Board discussed the salt shed project. Mike would like to know when Tighe and Bond will be surveying. Terry will ask Tom Mahanna and also find out if different types of salt sheds will be considered for the project.

It was noted that Dana talked with legal counsel regarding an accident having occurred over the weekend of January 11, 2014 involving a highway employee. The Board will meet next week regarding this incident, as per counsel's advice, following his procedural guidance.

The meeting adjourned at 1:50 p.m.

Respectfully submitted,

Terry Atwood  
Highway Secretary
