Trash and Recycling Contract

Chief Rich attended our meeting and told the Board that he is willing to try to share the 4 yd. trash dumpster with the Police Dept. The Board told him that if there was an overflow he could use the highway dept dumpster.

The Board decided to skip the Flu Clinic DEP practice drill planned at the Swallow Union School. A Saturday clinic at the school will cost \$250.00 to be paid to the custodians for opening the school on a Saturday. They will hold the clinic at the town hall.

The Board discussed possibly finding someone who works in the Town Hall 5 days a week full time who could help manage the Trash and Recycling Contract by answering questions and giving the Board updates on subscribers.
