

Board of Health Minutes

May 21, 2019

The meeting opened at 7:15 p.m. with Ms. Amodei and Ms. Moeller present. Mr. Parkin was absent.

The minutes of the meeting of May 7th were approved as written.

309 Hall Street

Mr. Luongo attended the Board of Health meeting since he had been notified that there would be discussion about his property at 309 Hall Street. Mr. Luongo is seeking a sign-off from the Board of Health that he needs in order for the building inspector to grant occupancy on a remodeled barn that was converted into an in-law apartment. However, the Board of Health needed more information on the size of the septic system serving both the house and barn and to date had not received it.

Ms. Amodei asked Mr. Luongo if he would mind drawing the layout of his home and converted barn with all finished rooms and would he sign and date it. Mr. Luongo agreed to doing it and submitted the drawing the same evening.

Ms. Amodei said that she did receive permission from the Town Administrator to speak with Town Counsel about the matter and would probably be doing so very soon.

The meeting adjourned at 7:50 p.m.
