West Auto – 30 Pleasant Street

Ms. Amodei told the Board that she was contacted by our Agent, Ms. Braley. She informed her that West Auto was doing some remodeling to their establishment and would be requesting a variance from local septic regulations for their septic system.

Selectmen Meeting on February 23, 2021

The Selectmen discussed a proposed 40B affordable housing plan in Dunstable. One hundred and eleven units are proposed of which 25% is affordable housing. The proposal is for 1, 2, 3 bedroom units in a duplex.

The Board supports the concept of affordable housing. There are many seniors and others who have lived here for many years and find that they cannot now afford their housing. It would be the right thing to do; to offer reasonably priced housing to them.

The meeting ended at 7:40 p.m.
