

Board of Health Minutes

March 16, 2021

The virtual meeting opened at 7:00 p.m. with Ms. Amodei, Ms. Moeller and Mr. Parkin attending.

Animal Inspector Nomination

The Board voted unanimously to nominate John Greenhalph for the position of Animal Inspector.

30 Pleasant Street – West Auto Body

An addition is being proposed with a bathroom. There is not enough area for a septic system to meet Dunstable's Title 5 requirements. The variance request is to use 0.74 gallons/day as the design rate instead of 0.33 gallons/day. Infiltrators are being proposed. Since there are no additional bays being added, the use would remain the same. The building is connected to the Town water supply.

The Board reviewed the request and voted unanimously to grant the request stating that it would be a vast improvement for the business since they have been using a porta potty for years.

The meeting adjourned at 7:20 p.m.
