

Cemetery Commission Minutes
September 25, 2020
Zoom at 10:00 a.m.

Present: Ryan McLane, Susan Psaledakis, Jake Voelker

It was agreed that Ryan would serve as Chair and Susan would serve as Secretary.

The Chair will plan to call the next meeting in November and the Commission will strive to meet at least quarterly. If possible, the next meeting will be in person using the large hall at Town Hall in order for all members to participate. This will depend on guidance from the BOH. Ryan will forward minutes from past meetings so they can be read and passed at the next meeting.

There was a brief discussion of deeds needing completion. Sue will work on having them all up to date before the November Meeting.

Ryan discussed the need to post more information on the Cemetery page of the Town Website. This should include information found in the booklet, "Regulations of Cemeteries; Town of Dunstable" and include a "Frequently Asked Questions" area. Ryan will follow through on this with Jake.

Meeting adjourned at 10:20

Respectfully submitted,

Susan K. Psaledakis
