Reviewed Thanksgiving meal project. Sent out letters to 25 families, 8 families participated, 21 meals went out. Dinner Made Simple (Alana Acquaviva) provided turkey dinners. Cost was \$200.00 paid out of the Sara Parkhurst Trust. Feed back was that the meals were delicious. Project worth doing again.

Tobey Trust

Sue talked to Patty Starbird, chairman of the Babcock Scholarship They maybe willing to oversee the Tobey Trust also using same guide- lines. Will check with Bonnie as to how much money will be available. Will set up meeting with Patty ASAP to work out details.

Education, Schlorschip, Senior Principal trusts

This is monies donated by residents via a voluntary donation in tax payments and is no longer in place. We felt that this would be better overseen by selectmen & Bonnie. This fund comes under general laws as how they are to be used.

E.R, Bennett Trust

With some research, Sue found out the E. R. Bennett was Elizabeth Bennett. Probably circa. 1910 this money was left to maintain ground at library (Town Hall) as that was where the library was located. Bennett family were library supporters. As the library is now located in it's own building, money should continue to be used for maintaining town hall ground.

Meeting adjourned at 4:15p.m.
