# jason silva

making a difference to our community

A true leader, putting forth the effort to build a team at Town Hall and beyond, Jason juggles so many different issues, problems, and plans, without missing a beat. Dunstable is truly fortunate to have him as our Town Administrator.

# carol rock

making a difference to our community

Carol brings positive energy to the Town Hall. Whether it be her cheery hello, her willingness to help, delicious brownies, or the beautiful seasonal flowers, Carol is sure to brighten the day.

# brynn durno

making a difference to our community

Brynn has jumped into her role as Town Clerk with passion & energy. Her expertise and organizational skills have already elevated the Town Clerk's office. She helps residents, employees & volunteers at any time, no matter her schedule. Dunstable is in great hands with Brynn as Town Clerk!

# brian locapo

making a difference to our community

Brian is always one to go above and beyond! He was incredibly helpful during all of the 350th activities, making sure anything we needed at Larter was accomodated, sometimes at the last minute. He is at Larter pretty much every day keeping a close eye on things and making sure all are able to enjoy the space.

# sue fayne

making a difference to our community

Sue wears many hats and wears them well. She is a true professional. She anticipates the needs of staff, making our jobs so much easier. Welcoming to all in person and on the phone, Sue is a wonderful addition to the Town Hall Staff. Thank you, Sue!

jason silva, jake lewon  
& the advisory board

making a difference to our community

For their unwavering efforts to solve our worst budget shortfall ever, and going above and beyond to keep people informed of all that is being done to come up with a solution. Thanks, guys!!

# susan bresnick

making a difference to our community

Susan is the definition of a "Team Player." She is thoughtful and kind and always willing to pitch in. She goes above and beyond to help all of us at Town Hall and the public at large! Thank you Susan, you are the best.

# carol rock

making a difference to our community

I would like to recognize Carol for her work with the Conservation Commission & Planning Board. Carol is very organized and professional. She is eager to learn and participate, and dives into any new challenge. I know that the duties with both of these departments were not familiar to Carol when she started, but she has shown no fear in taking them on and succeeding. Thank you for all of your efforts, for going above and beyond, and for the birthday brownies!

# jason silva

making a difference to our community

This program was made possible by Jason. His dedication to our community has made a huge difference so far and to sum it up: he's set groundwork, vision, strategy, and a plan for our town. And he's working the plan daily, getting things done. He also spends a lot of time with people - residents, town volunteers, employees - daily (sometimes all day) to make sure their needs are being met. There is a resounding feeling of appreciation & gratitude at Town Hall for all Jason has done for us and the residents of our community.

# jon crandall & family

making a difference to our community

Jon is involved in so many things in town it's hard to keep count! From the Memorial Day Parade to the 350th Anniversary & Jinglefest, you can always find him moving around doing whatever is needed - be it picking up trash, putting up, putting up road cones, and even dressing up as jolly old St. Nick. And when Jon pitches in, it's a family affair, and they are all pitching in together!
