

# WHAT IS THE FUTURE OF THE UNION BUILDING?

## INVITING YOU TO THE SURVEY RESULTS MEETING!

The Union Building in Dunstable Town Center is no longer needed by the Groton-Dunstable school district, providing an opportunity to reuse the 130 year-old building.

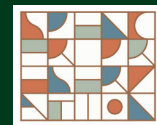

After a public kick-off meeting in 2023 and a town-wide survey, the Union Building Rehabilitation Committee is ready to share the survey results and its initial recommendations and receive your feedback in a second public meeting.

This will include refreshments and facilitated discussion. You may also register for a virtual (Zoom) option :
