Substandard fabrication and installation quality shall be deemed a breach of this Contract.

9. Guarantees:

- a. The Contractor guarantees the work under this Contract and the materials furnished by it for use in connection therewith to be free from defects or flaws for one year after the completion of the Contract. It is expressly understood, however, that this guarantee provision shall not absolve the Contractor from any liability to the Town arising out of a failure to substantially comply with the terms of the Contract.
  - b. If at any time within said guaranty period, any part of the work constructed under the terms of this Contract shall in the opinion of the Town require repair due to defective work or materials furnished by the Contractor, the Town may notify the Contractor in writing to make the required repairs. If the Contractor shall neglect to start such repairs within ten days of the date of receipt of notice thereof and to complete the same to the satisfaction of the Town with reasonable dispatch, then the Town may employ other persons to make such repairs. The Town shall charge the expense thereof to the Contractor and may use any moneys still retained to pay for the same, and if such sum is insufficient, the Contractor shall be obligated to pay the balance thereof.
10. Indemnification: Notwithstanding the availability and policy limits of any insurance, the Contractor hereby agrees to defend, indemnify and hold harmless, including attorneys fees, the Town, its officers and employees ("Indemnified Parties") against any claims made or legal actions brought against an Indemnified Party(ies) by any person or entity as a result of or arising from injuries, damages, expenses and losses actually or allegedly incurred by such a person or entity ("Liabilities") arising out of or relating to the Contractor's performance or failure to perform pursuant to this Contract, except where the Liabilities are the result of the Indemnified Party's own direct and sole negligence. This obligation shall survive the termination, completion or expiration of this Contract. The Contractor shall promptly notify the Town of any claim or action brought in connection with this Contract and thereupon shall promptly take over and defend any such claim or action.
11. Payment Bond: If cost is more than Twenty- Five Thousand (\$25,000) The Contractor shall obtain and deposit with the Town a Payment Bond equal to fifty percent (50%) of the total contract amount on a form prescribed by the Town. [IF COST OVER \$25K]
12. Remedies of the Town:
- a. If the Contractor shall provide services in a manner which are not to the satisfaction of the Town, the Town may request that the Contractor redo the work at no additional cost to the Town until approved by the Town. If the Contractor shall fail to provide such services or shall provide services which are not satisfactory to the Town, in the alternative, may make any reasonable purchase or contract to purchase services in substitution of those due from the Contractor. The Town may deduct the cost of any substitute contract or nonperformance of services together with incidental and consequential damages from the contract price and shall withhold such damages from sums due to become due. If after reasonable effort, the Town is unable to make any reasonable purchase or contract in substitution thereof, the Town may require the Contractor to deliver all completed work to date.

- b. If the damages sustained by the Town as determined by the Town exceed sums due or to become due, the Contractor shall pay the difference to the Town upon demand.
13. Post-Completion: Upon the completion of the Project, the Contractor shall at his own expense remove all equipment, temporary Contractor's buildings and sheds, fencing, rubbish and waste material in and about the area that has been worked and he shall leave the premises and the work performed all in a neat and proper condition.
14. Schedule: Before commencing the Project, the Contractor shall, if required, submit a schedule of operations for approval by the Town. The schedule shall show the methods and order of operations that the Contractor proposes to use. The approval of the schedule by the Town shall not be construed as relieving the Contractor from any responsibility.
15. Unanticipated Delay: Should the Contractor be obstructed or delayed in the prosecution of the work by any act or neglect on the part of the Town, or as a result of damage which may be caused by lightning, earthquake, rain, storm, or cyclone, then the time fixed for completion may be extended for a period equivalent to the time lost by reason of any of the foregoing causes. No such extension shall be made unless a claim therefor is presented in writing to the Town within forty-eight hours of the occurrence of such delay. The Contractor shall have no claim against the Town for damages on account of such delay. The duration of the extension itself must be certified in writing by the Town.
16. The Contract Documents: The following, together with this Contract, form the Contract and all are as fully a part of the Contract as if attached to this Contract or herein repeated: the Advertisement of the Invitation for Bids, the Bidding Documents, including the Contractor's completed Bid Form, the Contract Forms, the Statutory Provisions for Public Construction in Massachusetts (attached as Exhibit B) and the plans and specifications attached as Exhibit A.
17. Termination:
  - a. If the Contractor shall be adjudged a bankrupt, or if he shall make a general assignment for the benefit of his creditors, or if a receiver of his property shall be appointed, or if the work to be done under the Contract shall be abandoned, or if the Contract or any part thereof shall be sublet without the previous written consent of the Town, or if the Contract or any claim thereunder shall be assigned by the Contractor otherwise than as herein specified, or if at any time the Town's Town Manager shall be of the opinion that the work, or any part thereof, is unnecessarily or unreasonably delayed, or that the Contractor has violated any of the provisions of the Contract, the Town's Town Manager, for and in behalf of the Town, may notify the Contractor to discontinue all work, or any part thereof; and thereupon the Contractor shall discontinue such work or such part thereof as the Town's Town Manager may designate, remove his equipment, tools, supplies and materials as the Town's Town Manager directs, and the Town may thereupon, by contract or otherwise, as it may determine, complete the work, or such part thereof, and charge the entire expense of so completing the work or any part thereof to the Contractor.

- b. If the Town's Town Manager shall certify by written notice to the Contractor that the rate of progress is not satisfactory, the Town may, instead of notifying the Contractor to discontinue all of the work or any part thereof, notify him from time to time to increase the force, equipment and plant, or any of them, employed on the whole or any part of the work, stating the amount of increase required. Unless the Contractor shall, within five days after such notice, increase his force, equipment and plant to the extent required therein, and maintain and employ the same from day to day until the completion of the work or such part thereof, or until the conditions of the work or such part thereof, or until the conditions as to the rate of progress shall, in the opinion of the Town's Town Manager, be fulfilled, the Town may employ and direct the labors of such additional force, equipment and plant as may, in the opinion of the Town's Town Manager, be necessary to insure the completion of the work or such part thereof within the time specified or at the earliest possible date thereafter, and charge the expense thereof to the Contractor. Neither the notice from the Town's Town Manager to the Contractor to increase his force, equipment or plant nor the employment of additional force, equipment or plant by the Town shall be held to prevent a subsequent notice to the Contractor from the Town to discontinue the work under the provisions of the preceding portion of this section.
  - c. All expenses charged under this section shall be deducted by the Town out of moneys then due or to become due the Contractor under this Contract, or any part thereof. In such accounting the Town shall not be obligated to obtain the lowest figures for the work of completed the Contract or any part thereof, or for insuring its proper completion, and all sums actually paid by the Town shall be charged to the Contractor. If the expense so charged is greater than the sum which would have been payable under the Contract, if the same had been completed by the Contractor, then the Contractor shall pay the amount of the excess to the Town upon completion of the work and without further demand being made therefor.
  - d. This contract may be terminated at any time for the convenience of the Town at the option of the Town by delivering or mailing to the Contractor at the Contractor's business address a written notice of termination setting forth the date, not less than seven (7) days after the date of such delivery or mailing; when such termination for convenience occurs, the Contractor shall be compensated for all services rendered to the effective date of said termination in accordance with the rates of compensation specified in this contract.
  - e. The Contractor shall not be relieved of liability to the Town by virtue of any termination of this Contract and any claim for damages against the Contractor relating to the Contractor's performance under this Contract shall survive any termination hereunder.
18. Authority to Authorize Change Orders and Adjustments: The Contractor shall perform all the work required in conformity with the plans and specifications provided by the Town. This Contract may be amended only by a written Change Order, mutually agreed upon and duly executed by the parties hereto. No modifications, waiver or alternation of the Contract or any term herein shall be enforceable unless it is in writing, as a Change Order, and duly

executed by both the Town and the Contractor. An executed Change Order shall constitute a final settlement of all matters relating to the change in the work that is the subject of the Change Order.

19. Assignment: The Contractor shall not assign, subcontract, or in any way transfer any interest in this Contract without the prior written consent of the Town.

**Information about Prevailing Wage Schedules for Awarding Authorities and Contractors**

- **The wage rates will remain in effect for the duration of the project, except in the case of multi-year public construction projects. For construction projects lasting longer than one year, awarding authorities must request an updated wage schedule no later than two weeks before the anniversary of the date the contract was executed by the awarding authority and the general contractor.** For multi-year CM AT RISK projects, the awarding authority must request an annual update no later than two weeks before the anniversary date, determined as the earlier of: (a) the execution date of the GMP Amendment, or (b) the execution date of the first amendment to permit procurement of construction services. The annual update requirement is not applicable to 27F "rental of equipment" contracts. **The updated wage schedule must be provided to all contractors, including general and sub-contractors, working on the construction project.**
- This wage schedule applies only to the specific project referenced at the top of this page and uniquely identified by the "Wage Request Number" on all pages of this schedule.
- An Awarding Authority must request an updated wage schedule if it has not opened bids or selected a contractor within 90 days of the date of issuance of the wage schedule. For CM AT RISK projects (bid pursuant to G.L. c.149A), the earlier of: (a) the execution date of the GMP Amendment, or (b) the bid for the first construction scope of work must be within 90-days of the wage schedule issuance date.
- The wage schedule shall be incorporated in any advertisement or call for bids for the project as required by M.G.L. c. 149, § 27. The wage schedule shall be made a part of the contract awarded for the project. The wage schedule must be posted in a conspicuous place at the work site for the life of the project in accordance with M.G.L. c. 149 § 27. The wages listed on the wage schedule must be paid to employees performing construction work on the project whether they are employed by the prime contractor, a filed sub-bidder, or a sub-contractor.
- Apprentices working on the project are required to be registered with the Massachusetts Division of Apprentice Standards (DAS). Apprentices must keep their apprentice identification card on their persons during all work hours on the project. An apprentice registered with DAS may be paid the lower apprentice wage rate at the applicable step as provided on the prevailing wage schedule. **Any apprentice not registered with DAS regardless of whether they are registered with another federal, state, local, or private agency must be paid the journeyworker's rate.**
- Every contractor or subcontractor working on the construction project must submit weekly payroll reports and a Statement of Compliance directly to the awarding authority by mail or email and keep them on file for three years. Each weekly payroll report must contain: the employee's name, address, occupational classification, hours worked, and wages paid. Do not submit weekly payroll reports to DLS. For a sample payroll reporting form go to <http://www.mass.gov/dols/pw>.
- Contractors with questions about the wage rates or classifications included on the wage schedule have an affirmative obligation to inquire with DLS at (617) 626-6953.
- Contractors must obtain the wage schedules from awarding authorities. Failure of a contractor or subcontractor to pay the prevailing wage rates listed on the wage schedule to all employees who perform construction work on the project is a violation of the law and subjects the contractor or subcontractor to civil and criminal penalties.
- Employees not receiving the prevailing wage rate set forth on the wage schedule may file a complaint with the Fair Labor Division of the office of the Attorney General at (617) 727-3465.
