RE: Distribution Flushing

Please be advised that SWSS will be conducting routine flushing of the town of Dunstable's distribution system Tuesday 11/16 through Thursday 11/18. We will begin flushing the system one street at a time, beginning at approximately 9AM until 3PM. If you experience dirty water following the flushing event, please simply let the water run from the tap until it is clear.

Please feel free to call SWSS at 978-486-1008 with any questions or concerns.

Thank you,
