Article 1 - Reports

To hear and act upon the reports of Town Officers, Boards, Committees, Commissioners, and Trustees, or take any action in relation thereto.

Thoughts from the Selectmen

- Dedication of Town Report
- The year in Review

Water Commission - Infrastructure Project Update

- Tank Site survey is in:
 - Wright Pierce is starting to proceed on the preliminary design.
 - Wright Pierce will be scheduling a day to mark out proposed tank location for borings.
- Water Main Survey is in:
 - Wright Pierce is starting the preliminary design for this:
 - Wetlands flagged previously
 - Will be marking out boring locations along road (same time as for tank site)
 - Need to receive water service tie-cards from Town as requested.
 - Waiting for Whitewater to open/close the two valves requested to confirm 12" piping is where it is thought to be (if it's not, more survey could be needed).
- Access Road Improvement (including electrical service and pumping station work):
 - Still waiting for the Survey to be completed and submitted. We keep being told it will be any week now.
 - Wright Pierce can't start that portion of the work until the survey is completed.
- USDA Funding Application:
 - Wright Pierce will start this soon once the preliminary design items needed for the reports are further along.

Water Commission - Infrastructure Project Update – Cont.

By June 29, 2018 we shall submit a(n):

- Standard Operating Procedures (SOP)
- Corrective Action Plan
- Updated Emergency Response Plan

By September 30, 2018 we shall submit a complete WS33 permit application and design for a 75,000 gallon elevated storage tank

By December 31, 2019, we shall complete the installation of the 75,000 gallon above ground storage tank, distribution piping modifications and the removal and demolition of the old hydropneumatic tanks.

What is a Tier 1 Cultivator?

- A Marijuana Cultivator may cultivate, process and package marijuana, to transfer and deliver marijuana products to marijuana establishments, but NOT to consumers.
- A Tier 1 Cultivator is the smallest licensed tier of marijuana allowed by the regulations and is Limited to up to 5,000 square feet of canopy.
- ► A Tier 1 Cultivation establishment can be operated using a small number of employees (2-5) depending on the amount of automation.
- ▶ Tier 1 Cultivation can be grown indoors, outdoors or in a greenhouse.
- Processing, packaging and storage are done inside of a "headhouse."
 - A headhouse is a building that has areas and equipment for trimming, drying and packaging, an area for starting young plants and an administrative area that holds the security and seed to sale servers.

Licensing Requirements

Local Municipality

- Must Negotiate a Host Community Agreement with the Town
- Hold Community Outreach Meeting
- Receipt of Special Permit before being allowed to operate

State of Massachusetts

- The state of Massachusetts has a rigorous application and compliance process
 - Management and operation plans
 - Proof of Funding
 - Security
 - Inventory Tracking
 - Product Storage
 - Background Checks
 - Local Town Approval

Impact to the Community

- Community Host Agreement Under the regulations any Marijuana Establishment must enter into a "Host Community Agreement"
 - ▶ Revenue for the Town The establishment pays a community impact fee of up to 3% of gross sales. As long as the fee is reasonably related to real costs imposed on the municipality due to the establishment.
- **Low Impact** Being the smallest allowable cultivation tier (other then home growers) a Tier 1 Cultivator will have very little impact **on** Town Services and infrastructure.

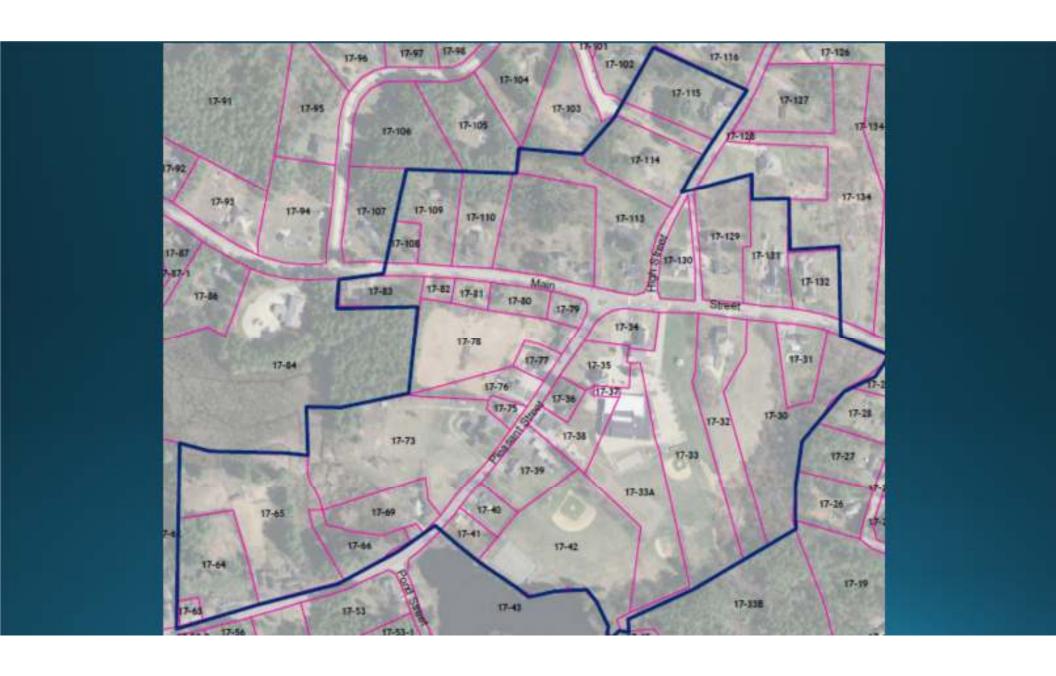

Why do we have to vote on this by-law?

- MGL. 94G Sec. 3(2) States that a City or Town may limit the number of marijuana establishments in the city or town; provided, however, that in the case of a city or town in which the <u>majority of voters voted in the affirmative for question 4 on the 2016 state election</u> ballot.... the city or town shall submit any by-law or ordinance for <u>approval to the voters</u> pursuant to the procedure in subsection (e) before adopting the by-law or ordinance if it would... prohibit the operation of 1 or more types of marijuana establishments within the city or town.
 - ▶ Dunstable vote on Question 4: YES 1,083 votes 53.9% NO 928 votes 46.1%
- Under the law, in order to approve the bans on Marijuana Retail, Craft Cooperative, Microbusiness and Transporter the Town must submit the by-law for approval by the voters at a regular or special election.
 - ▶ Majority vote allows the adoption of the bylaw.

Reasons for Purchase of Frye Conservation Restriction

Would protect: -Water Quality (perennial stream- Barnes Brook)

-An Agricultural Resource (pasture/hayfield/tillable)

-Vista (view along Rt. 113/ the other "Gateway")

-An Historical Site (Fletcher Farm & mill site)

-A Recreation Resource (trail to Town Forest and Goss Farm-

connectivity)

• Would foster:

-The Agricultural Economy of the Town (productive field, proximity to Tully Dairy Store/Goss Farm

-Dunstable as a "Destination Town" (photos, produce & dairy,

outdoor recreation

Why a CR:

-Continues to pay taxes

-Land is privately managed and cared for

-Remains part of the (agricultural) economy

Financing the Frye Field CR

-Will NOT impact the tax rate Note: -Conditional on the receipt of the State LAND Grant. \$499,000 Price: \$255,000 -State: Sources: -CPC: \$194,000 \$50,000 -Timber sale -If State LAND Grant is not received, the project is cancelled. Note: -State LAND Grant would be 51.1 % of total price, based on 60% of the APPRAISED value. CPC money includes _____ from the Open Space & Recreation "Pocket" from the Undesignated "Pocket" Approximately of these pockets is State Match money.

Explanation of Conservation Restrictions

- A **Conservation Restriction** is one of several methods of protecting land. It's a legal agreement between a landowner and a land trust (or other agency) designed to permanently protect the **conservation** values of a property by defining allowed uses.
- They are FOREVER (in perpetuity)

Typical Restrictions: May not be developed

May not be subdivided

No dumping of junk cars, debris, etc.

No removal of soil, minerals, etc.

Typical Reserved Rights: Agricultural (& associated activities)

Silviculture (& associated activities)

Trails

Note: Some type of public access usually required

Note: Hunting and ATV use typically left up to landowner

Budget Presentation FY 2019

Groton-Dunstable Regional Schools April 30, 2018

The Process

The School Committee approved the following budgetary guidelines:

- Maintain and look to improve services for all students
- Capital and Tech to be pulled out separately for assessment
- Capital Plan and project information is to be included in its own section in the budget book
- Explore recommendations from external audits to seek areas of efficiency for funding district needs
- Review athletics fees for comparison to other districts and the financial impact to families

The Process

- Ensure adequate funding of school supply budgets
- Provide adequate funding for maintenance staff and services to properly support a complete maintenance plan.
- Maintain District class size standards set below with the exception of chorus, band and PE. Other exceptions to the class size will be allowed should there be a compelling explanation presented to school committee.
 - K-4: 15-22 Students
 - 5-12: 15-25 Students

Factors Affecting Assessment Increase

- Budget Expenditure increase 4.03%
- Driven by reduction in revenue
 - Foreign Exchange (\$126,000)
 - Circuit Breaker (\$146,000)
 - Regional Transportation Reimbursement (\$20,662)
- Use of \$100,000 E&D in FY 2018 to reduce assessment that is not planned in FY 2019.
- State Aid only increased less than 0.44%. Therefore increases the amount of budget increase that is assessed to both towns.

Budget Comparison without capital

FY 18 \$39,215,831

FY 19 \$40,747,662

DIFFERENCE \$1,531,831

PERCENT +3.91%

Seeking Efficency

Using the information provided in the external operational reviews the district is making and exploring the following efficiency measures.

- Relocation of Central office to Middle School South
- Redesigning bus routing to have middle and high school students ride together to increase utilization. Delaying start time for High School for academic performance purposes.
- Exploring Privatization of Custodial Services.
- As will be an ongoing measure looking at enrollment and staffing needs district wide to find areas to align resources more effectively.
